For 2025, the training workshops will be split into two sessions with a focus on theory and practice. These will be spaced a few weeks apart to allow you to have some time to digest the theory as well as have a go at your tower or a tower near you!

The workshop will be focused on striking, making each change accurate, understanding how to Plain Hunt as well as an opportunity on how call it if you wish.

Any questions? Please contact the education committee rep or district ringing master at mansfield_education@southwelldg.org.uk or warsopbells@gmail.com
